<p>ASK</p> <p><u>When</u> in the story could something happen to change the outcome?</p> <p><u>What</u> could happen that would change the outcome?</p>	
<p>IMAGINE</p> <p>What can you create with Snap Circuits that would cause this change ? (Think about light, movement, and sound.)</p> <p>Questions to consider: Do the characters use the device? Does a new setting occur?</p>	

PLAN

Fill in the plot diagram to show at what point in the story the device is introduced and the events that follow afterwards.

**WRITE**

Write a outline of your new ending to the story.

Start from the point at which your device appears in the story.
